MELBOURNE / PALM BAY • COCOA BEACH • TITUSVILLE

# Florida Space Authority Classroom Facility

## **Address:**

100 Spaceport Way  
Cape Canaveral, FL 32920

## **Directions:**

From Orlando or I-95, take the Bee-Line (SR-528) east to Port Canaveral (not to Kennedy Space Center). Exit at Port Canaveral toward the north cargo/cruise terminals and Cape Canaveral Air Force Station (CCAFS). Pass the CCAFS Pass & ID building (you will not need a badge for entry) and turn right at Poseidon Ave. (at the rocket display just before reaching the Air Force security badge checkpoint). Make an immediate left on Spaceport Way, before reaching Navy Port badge checkpoint. Florida Space Authority offices are straight ahead. Classes will be held in the auditorium in the building behind the FSA offices.
